family visits to ensure our clients receive the resources they truly need

## 2025 Most Requested

cleaning supplies; TVs; toiletries; jackets, vacuums; microwaves; pots & pans; jackets; kid items, such as diapers, wipes & toys.

# 2025 End of Year Report

Despite the decline of new families in the Treasure Valley, we continue to grow our services!

## 52 New Families

In 2025, 80% of new families were from Afghanistan, Syria and Ukraine

## 207 Existing

families received critical continued support, such as utility and rental assistance and access to our warehouse of items.

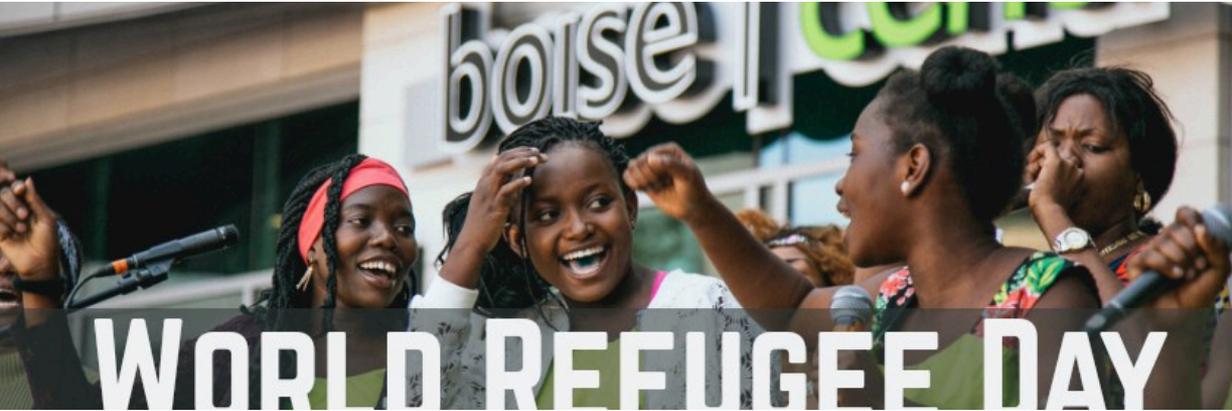

## 700 Backpacks

were stuffed with school supplies by KCL employees and distributed to local refugee children, an increase of 40% from last year!

## New Program Alert!

KCLF staff and Connections Credit Union held several financial literacy training courses, attended by dozens of clients. They gained a much better understanding of the financial system in this country.
